

# KLOPP Victor

(1895 - 1965) <sup>1</sup>

Luxembourg-Eich

## Biography

KLOPP was born in Eich in 1895. His father Johann Peter KLOPP was a *Bäcker* and his mother Elisabeth JUNCK was a *Wirtin*.

Victor trained to become a *tourneur en fer* (*Eisendreher*) and in 1924 he worked as *dessinateur* (*Vorzeichner*) in the national railway company.

In 1919 Victor, then a *Versicherer*, married Cécile MOLITOR, but the couple divorced in 1924.

KLOPP remarried in 1927 with Madeleine HASTERT. This time again his occupation was *Eisendreher*.

He made his first inventions in the early 1920s and in 1950 he made two inventions directly related to his employment experience in the railway company.

KLOPP died in 1965 in Beggen.
