### Biography

Nicolas LAMBY was born in Bonnevoie/Hollerich in 1876. He was the son of Henri Alexander LAMBY (*Eisenbahnangestellter, Weichensteller*), born in Belgium, and Catherine KINTZINGER, born in Niederfeulen.

Nicolas became a *Schlosser* and resided in Bonnevoie. In 1900 he married Anna PAULUS, born in Bettembourg, and the couple settled in Bettembourg.

By 1918 the couple had moved from Bettembourg to Bonnevoie (3 Itziger-Strasse). In 1925, however, when Nicolas obtained his second patent, he resided in Niedercorn.

It is not known when and where he died (probably in Niedercorn after 1938).
